Streamlined budgeting.

Residual value protection.

Improved financing terms.

WHAT ARE THE ADVANTAGES COMPARED TO OTHER PLANS?

There are other plans out there, but many are overly complex, overpriced and leave customers wondering if they are really covered when they have an unplanned maintenance event. Customer Advantage Plan members have:

- Budget certainty at rates very competitive to published direct maintenance costs.
- Higher aircraft availability with premier access to Bell Helicopter's rotatable pool of parts.

- Preferred rates when using any of the 100+ Customer Service Facilities (CSFs) located around the world.
- The confidence of industry leading support voted by customers who experience the Bell Helicopter Advantage every day.
